ASCOMYCETES

Helvella acetabulum

Helvella compressa

Helvella dryophila

Otidea sp.

Peziza sp.

Tarzetta sp.

Verpa cf. *chicoensis*

GILLED FUNGI

Agaricus (pink, yellow staining, phenolic odor)

Agaricus campestris

Agaricus megalocarpus complex

Amanita ocreata

Amanita sect. *Amanita* subsect. *Gemmata*

Amanita velosa

Clitocybe (masa odor)

Clitocybe (wide gills, weeping cypress)

Clitocybe brunneocephala

Clitocybe fragrans

Clitocybe nuda

Clitocybe rivulosa

Contumyces rosellus

Coprinellus sect. *micaceus*

Coprinopsis sp.

Cryptomarasmius corbariensis

Deconica montana

Entoloma (*Nolanea*) *sericea* group

Gamundia sp.

Gymnopus brassicolens

Inocybe insinuata

Lactarius alnicola

Lactarius argillaceifolius

Lactarius rubidus

Lactarius rufulus

Lentinellus ursinus

Leratiomyces percevalii

Leucoagaricus (*amanitoides*?)

Leucoagaricus (small stout)

LOS ANGELES MYCOLOGICAL SOCIETY

Leucopaxillus gentianeus
Macrocystidia cucumis complex
Marasmius (olive leaf)
Marasmius plicatulus
Melanoleuca sp.
Mycena (brown bottom half of stipe)
Mycena (pine needles)
Mycena californiensis
Mycena capillaripes
Omphalinoid (pink and white, not *Contumyces*)
Parasola conopilea
Pluteus (grey scaly sticky)
Pluteus petasatus complex
Psathyrella (pinkish cap)
Psathyrella longipes
Pseudosperma sororium
Rhodocollybia (sweet smell)
Schizophyllum commune
Tricholoma argyraceum
Tubaria furfuracea

BOLETES

Xerocomellus mendocinensis

CORAL FUNGI

Clavulina cinerea
Phaeoclavulina abietina
Phaeoclavulina myceliosa

TOOTHED FUNGI

Hydnellum peckii

SHELF, FAN, AND CRUST FUNGI

Crust (brownish)
Peniophora albobadia
Pink spongy thing on stick
Stereum hirsutum
Thelephora sp.
Trametes versicolor
Trichaptum abietinum

GASTEROID FUNGI

Astraeus hygrometricus

LOS ANGELES MYCOLOGICAL SOCIETY

Geastrales (thick mycelial mat in oak duff)

Lycoperdon perlatum

Nidula sp.

JELLY FUNGI

Dacrymyces stillatus

Exidia glandulosa

Myxarium nucleatum

Naematellia aurantia

Tremella messenterica

MYXOMYCETES

Arcyria sp.

Dictydiaethalium plumbeum

Physarum album
